

World's Greatest Shave

THE WORLD'S GREATEST SHAVE – A GUIDE FOR STUDENT LEADERS

Thank you so much for stepping up, on behalf of your school.

Your efforts will help people around Australia living with blood cancer. At the moment, there are about 140,000 people around the country living with it.

Our most successful school fundraising teams have one key thing in common – they've got super strong student leaders who are ready to rally and get the entire school involved.

Here are some things you can do to maximise your school's efforts.

ENCOURAGE PEOPLE TO SIGN UP

Get everyone hyped about one of the best school days of the year. And remind people they don't have to shave their head to take part. They can cut or colour their hair, too. Every strand of hair people change makes living with blood cancer less scary.

HELP PEOPLE SET UP THEIR FUNDRAISING PAGE

The best way to do this is to go to worldsgreatestshave.com/schools and click 'join a school team'. People can search for your school and set up their personal fundraising page.

SPREAD THE WORD

Let people know about the amazing impact participating has: helping people with blood cancer, which is the third most common cancer in Australia.

GET CREATIVE

You can organise additional fundraising activities to boost your team's efforts. We've seen so many great ideas over the years, from bake sales to sausage sizzles, and recycling aluminum cans.

HELP OUT ON THE DAY

Your school will need plenty of hands on deck on the big day. You can help decorate the space, collect donations, and ensure the day is running as smoothly as possible.
